## Make a Phone Call

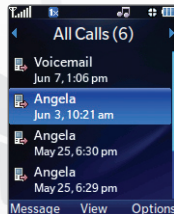

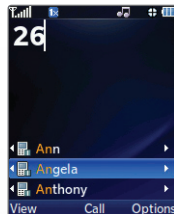

LG Envoy's large keypad makes dialing phone numbers quick and easy.

### Make a Phone Call

1. From standby mode, begin dialing a number or start spelling the name of the desired contact.
2. Press the **Send Key** to call the number or highlight the contact you wish to call and press **OK**.

### From Recent Calls

1. From standby mode, press the **Send Key**.
2. Highlight the number you wish to call and press the **Send Key**.

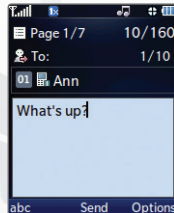

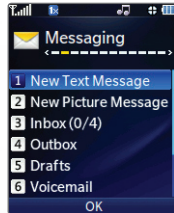

## Send a Message

When you need to communicate quickly and privately, use text messaging.

### Send a Message

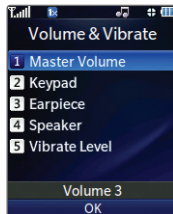

1. From standby mode, press the **Left Soft Key** for **Message**.
2. Select **New Text Message (1)**.
3. Enter the recipient's number or press the **Right Soft Key** for **Options** to access your contact list.
4. Scroll down to the **Text field**, enter your message, and then press **OK** for **Send**.

Customize your phone by changing ringtones and alert sounds!

### Adjust Master Volume

1. From standby mode, press up or down on the **Volume Keys** to bring up the Master Volume screen, and then press up or down on the **Volume Keys** to adjust the volume.

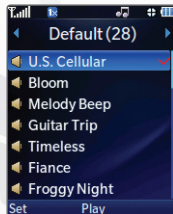

### Adjust Volume from Settings Menu

1. From standby mode, press **OK** for **Menu**.
2. Select **Settings (9)** and then choose **Sound (1)**.
3. Select **Volume & Vibrate (2)**.
4. Select a volume type and adjust accordingly.

### Change Ringtone and Sounds

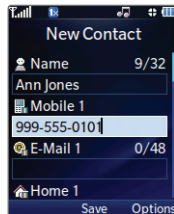

1. From standby mode, press **OK** for **Menu**.
2. Select **Settings (9)** and then choose **Sound (1)**.
3. Press **OK** for **Ringtones (1)**.
4. Select a ringtone type and then choose between default sounds or your own voice memos. Highlight a tone and press the **Left Soft Key** for **Set**.
5. To adjust alert sounds, select **Message Alerts (3)** in the **Sound Settings menu** and follow step 4.

Envoy has plenty of space for your numbers and email addresses. Back up your contacts with My Contacts Backup in case your phone is ever lost or stolen.

## Add a Contact

1. From standby mode, press the **Right Soft Key** for **Contacts**.
2. Press the **Left Soft Key** for **New**.
3. Enter the contact's information and then press **OK** for **Save**.

## Back Up Contacts

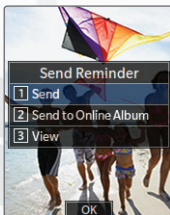

1. From standby mode, press **OK** for **Menu**.
2. Select **My Contacts Backup (O)**.
3. Press the **Left Soft Key** for **Next**.
4. Read the terms and conditions and press the **Left Soft Key** for **Yes**.
5. Enter a PIN that's easy for you to remember—you'll need it to manage your account online.
6. Press the **Left Soft Key** for **OK** twice.
7. Press the **Left Soft Key** for **Yes** to back up your contacts.
8. Press **OK**.

## Take a Picture

Capture life as it happens with Envoy's VGA camera and then send your photos to your friends.

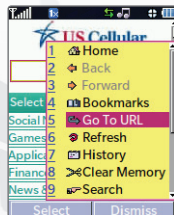

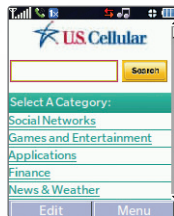

1. From standby mode, press and hold .
2. You may adjust settings such as white balance and brightness. When you're ready, press .
3. From here you may choose to view the photo, send it to a friend, or upload it to your online album.

## Browse the Web

Browse the web directly from your mobile phone! Check the weather, visit your favorite websites, and enjoy access to the Internet on the go!

1. From standby mode, press **OK** for **Menu**.
2. Select **Browser (7)**.
3. If prompted, press **OK** for **Yes (1)**.
4. Press the **Right Soft Key** for **Menu** and then select **Go to URL (5)**.
5. Enter a web address, scroll down to **Go**, and press **OK**.
6. To exit the browser, press **POWER END**.

Personalize your Envoy by changing the wallpaper, banner, and font type.

1. From standby mode, press **OK** for **Menu**.
2. Select **Settings (9)** and then choose **Display (2)**.

### Change Wallpaper

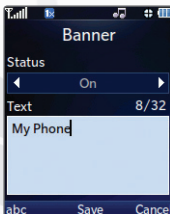

1. From the **Display Settings menu**, select **Wallpaper (1)**.
2. Choose from default images or your own photos.
3. Highlight an image and press the **Left Soft Key** for **Set**.

### Change Banner

1. From the **Display Settings menu**, select **Banner (2)**.
2. Scroll to the **Text field**, enter a new banner, and press **OK** for **Save**.

### Change Font Type

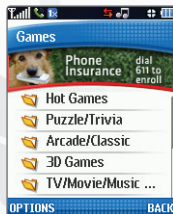

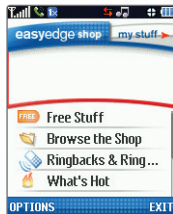

1. From the **Display Settings menu**, select **Font Settings (7)** and then choose **Font Type (1)**.
2. Highlight a font type and press **OK**.

## Download an App

Download ringtones, apps, games, and wallpaper via **easyedge**.

1. From standby mode, press **OK** for **Menu**.
2. Press **OK** for **easyedge (5)**.
3. Highlight a category and press **OK**.
4. Follow the prompts to purchase content.

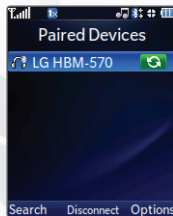

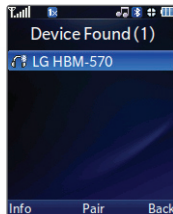

Connect to headsets, computers, and more via *Bluetooth* wireless technology.

1. Place the *Bluetooth* device you wish to pair with in pairing mode.\* From standby mode, press **OK** for **Menu**.
2. Select **Settings (9)** and then choose **Bluetooth (5)**.
3. Select **Paired Devices (1)** and then press the **Left Soft Key for Search**.
4. If *Bluetooth* power is off, press **OK** for **Yes (1)** to turn it on.
5. Select **New Search (1)**.
6. Highlight the device you wish to pair\* with and press **OK**.
7. Press **OK** for **Yes (1)** to connect to the device.

\*Refer to your *Bluetooth* accessory's user guide for information about initiating pairing mode and the passcode if asked (typically "0000").
